Archie the friendly spider is a series of short kids bedtime stories in the Childrens Fantasy genre, that follow the adventures of a young Scottish spider as he seeks to 'make friends and influence people'. Ideal as bedtime stories as they take just about 10-15 minutes to read to your children. Intended to help young children overcome the fear of spiders and other phobias, these kids short stories have won acclaim from some of Amazon's top reviewers. Humor & Suspense make a first rate children's story - 4-1/2 stars "The three stories are well written and include the elements that make a good children's story: humor, suspense, and just enough danger to give the story some tension without being too scary. J Chambers: Top 50 reviewer Good Bedtime Story: "I'm not certain what age group would be able to easily read this, but it makes an excellent bedtime story for kids, including my own granddaughter who is enjoying exploring the world. There is danger, but not enough to stress out little kids. And they will relate well to being small in a very big world, just like Archie!" Roberta Karchner: Top 50 reviewer Book 1: Archie Looks For A Friend Story 1: The Girl...
